City Sightseeing in Mo i Rana

Moholmen, the old part of Mo i Rana, is like an oasis in the city centre. A stroll around the district is like a trip back in time, away from the modern hustle and bustle. The oldest buildings in Moholmen date back to the 17th century, and the area is a living museum of the era before industry arrived in the town. Mo i Rana's past also goes back to the end of the 16th century, when the iron ore mineral industry started, and it is now home to the most modern industrial area in Norway.

This excursion is by bus and features a walking tour.

Capacity: 25-200 persons.
