

Chase the NORTHERN LIGHTS

Northern Lights and winter experiences in historical surroundings of Jakobsbakken (private tour)

Do you want to experience a majestic coloring game that dances in heaven in historical surroundings? Experience the magic of the world's most beautiful natural phenomena in one of Norway's coolest surroundings. Starting from the Jakobsbakken in Sulitjelma, with magnificent buildings from the mining industry in the late 1800s, we take you to the northern lights chase on Jakobsbakken.

Jakobsbakken is ideally situated on the northern lights oval, the area where it is most likely to experience the northern lights.

Jakobsbakken has a stable inland climate and we take you to areas without light pollution to hunt for the northern lights.

Included: Guide, bonfire coffee and local food. Hot clothes.

The excursion start from Bodø bus station, by coach at 18:00 o'clock.
This tour goes Tuesday's and Wednesday's.

Duration: 6-7 hours
